THE EXPERIENCE:

As someone who truly admires art, I have an appreciation for different editing styles so as a photographer, I couldn't commit to just one. There are so many contributing factors that can determine which style is right for each couple (i.e. lighting, season, theme, and of course personal preference) and that is why I let each couple choose. After your session, I'll edit a few of your photos in four styles and then send them to you so you can compare them side by side and decide which is your favorite. Once you pick your style, I will finish editing your collection.

Next Steps:

- Book initial call, or in person meeting
- In our meeting, we will discuss date, time, location, and the package you are interested in
- Reserve your session by signing contract and paying 50% deposit
- Remaining 50% due two days prior the photo session
- Once I receive the remaining 50%, I'll reach out to confirm everything is good to go and we'll meet up the day of the session, on location.

Q/A:

What is your cancellation policy?

Unless an act of God (crazy weather or serious illness) happens, there will be no refund of your deposit for cancellation. If you need to reschedule, you may reach out to me up until 1 day before your session to see if we can work out an alternate day/time, with no guarantee that we'll be able to make it happen.

Can I add additional time onto a previously booked appointment?

Yes, simply reach out to me and as long as I am able to accommodate, I will update your invoice and our contract accordingly.

How am I billed?

As mentioned previously, 50% is due upon signing the contract to reserve your session, and the remaining 50% is due two days before the photo shoot. I will send you an invoice both times, via Paypal. You will need to complete both invoices prior to the photo session. If there are additional costs, a third invoice will be sent your way, and will need to be completed prior to receiving your digital photos.

Q/A (cont.):

Where can photos be taken?

For Lynchburg shoots: Anywhere within 40 miles of Lynchburg, VA is included in the cost (additional \$3 per mile added on after that)

*If I am visiting an area and offer photography services during my visit you will not be charged any travel fees related to this.

How do you deliver photos?

All photos will be delivered via password protected online gallery. You will have the option to download full resolution or smaller photos. All physical photos, canvases, and photo albums will be delivered either in person or in the mail.

What additional costs could there be?

If additional time is requested during our session and I am able to accommodate, that will result in an additional invoice, in addition to what was mentioned under 'Where can photos be taken?'

What is the incentive for referrals?

Your referral must complete a session with me and mention your name in order for you to receive this incentive. If your referral completes a Sweet session with me, you'll receive \$15 back. If they complete a Stellar session, you will receive \$25 back. If they complete a Spectacular session, you will receive \$35 back, so long as you had a session with me previously that same calendar year. If you didn't, then the equivalent dollar amount will be applied as a discount on your next session as long as it is within 9 months of you being notified of the discount.
