THE EXPERIENCE:

As someone who truly admires art, I have an appreciation for different editing styles so as a photographer, I couldn't commit to just one. There are so many contributing factors that can determine which style is right for each couple (i.e. lighting, season, theme, and of course personal preference) and that is why I let each couple choose. After your session, I'll edit a few of your photos in four styles and then send them to you so you can compare them side by side and decide which is your favorite. Once you pick your style, I will finish editing your collection.

WEDDING PACKAGES

Next Steps:

- Select your package and let me know
- Reserve your session by signing the contract and paying a \$1,000 deposit*
- The remaining amount is due two weeks before the wedding
- Questionnaire** is due one week before the wedding
- Once I receive the remaining amount, I'll reach out to confirm everything is good to go and we'll meet up on the wedding day at the agreed-upon location
- *Need to split the deposit in two, no problem, just let ask me how!
- **You will receive this at least a month before your wedding

Q/A:

What is your cancellation policy?

Unless an act of God (crazy weather or serious illness) happens, there will be no refund of your deposit for cancellation. If you need to reschedule, you may reach out to me up until four weeks before your wedding to see if we can work out an alternate day/time, with no guarantee that we'll be able to make it happen.

Can I add additional time onto a previously booked appointment?

Yes, simply reach out to me and as long as I am able to accommodate, I will update your invoice and our contract accordingly.

How am I billed?

As mentioned previously, a \$1,000 deposit is due upon signing the contract to reserve your session, and the remaining is due two weeks prior to the wedding. I will send you an invoice each time, via Paypal. You will need to complete both invoices prior to the wedding. If there are additional costs, other invoices will be sent your way. If \$1,000 is a bit too much for you, I can work out a payment plan, contact me for details.
